Our Society began with the goal of opening a shelter for the lost and homeless pets in Camrose and the surrounding area. We began by raising funds for the awareness of and the need for an animal shelter in Camrose. The City of Camrose currently contributes funding to the shelter in the amount of our lease. All cats are vaccinated, spayed/neutered and micro-chipped prior to adopting them out. Our Society hopes to add community outreach programs, such as low cost spay/neuter/microchip initiatives. These will contribute to reducing reproduction, increasing the number of strays being returned to their owners, and in turn controlling the stray population. The Shelter has Charity Status and can issue tax deductible receipts for donations over $20.00.

The S.O.S. program informs, empowers and connects seniors to new and existing programs, services and resources at the federal, provincial and local level. Our goal is to bridge the communication/service gap that currently exists between seniors and government programming and services. The S.O.S. program offers presentations on topics of interest to seniors and hosts seminars with information provided by community partners in both the public and private sector. We collaborate with the Canada Revenue Agency to provide a free tax filing service that continues throughout the year. S.O.S. aids in the completion of paperwork for seniors applying for programming, aiding applicants in negotiating criteria for different and sometimes competing services, referring clients to other local organizations to meet their specific needs, linking them with clubs or service organizations. We provide support for seniors seeking access to housing and transportation. We aid clients in understanding their options; troubleshooting or brainstorming about their choices and supporting them in their decision making.

If you like toe-tapping jazz tunes from the early ‘30s and on, delivered in a brassy blast, you’ll get what you came for with this energetic group. This 18-piece band shows up with all of the old favourites in tune, and peppers some contemporary favourites in every gig.

Started in 2015, Battle River Big Band is primarily comprised of band and music teachers, and seasoned musicians, living in the communities in and around Camrose and Wetaskiwin. As the Battle River runs through or near these centres, the name suits this band to a tee.

The band has performed in Camrose at the Bailey Theatre, and downtown during Jaywalkers' Jamboree. Their next performance will take place on May 13 in Wetaskiwin, at the First United Church.
